The ONLY Chipotle Barbecue Sauce made with Chuck's *Original* Smokey Chipotle® Pepper Sauce, *i.e.*, no smoke additives and no *added* high fructose corn syrup. Wonderful medium heat, tangy flavor and light smokiness to pour over pulled pork, baby-back ribs, spareribs, chicken, beef brisket, hamburger, and chicken wings. Use to replace ketchup in your meatloaf recipe. A healthier alternative for BBQ sauce: low salt, along with a lesser amount of sugar and brown sugar allow for the natural flavor of the chile chipotle to shine through. No smoke additives.
