The Very 1st and Original **Smokey Chipotle® Pepper Sauce** made in America. Chuck Evans introduced the chile chipotle spice into the mainstream United States marketplace in the late 1980s, long before the chipotle became an important spice ingredient. No chipotle pepper sauce (most are made with chipotle powder) can compare to Chuck's special chipotle pepper mash made with whole Típico & Morita Chipotles and Chile Pasilla Negro. A pepper sauce, steak sauce, and a great ingredient to add a smoky spiciness to chili, beans, hamburgers, barbecue, and tacos. Low Salt, No smoke additives, and Gluten-Free.
